

WINTER PIN-UP/HOT ROD PHOTO SHOOT & GET TOGETHER

All pin-up models, hot rods and photographers welcome!

This will be a day of fun!

My home has a cul-de-sac with plenty of hot rod parking a playground for the kids, and a covered picnic area.

I will also provide a cooler full of water and sodas.

Models will be free to use my home to change and get made up.

I have several tripods, and a 4 way reflector which fellow photographers are free to use.

December 4th 10:00 a.m. to whenever!
